**FOR THEIR HARDWORK AND
DEVOTION TO OUR SCHOOL
WE HEREBY DEDICATE
THIS YEARBOOK TO
MRS. STEVENSON &
MR. GRONINGER**

This year's yearbook is dedicated to Mr. Donald Groninger and Mrs. Marina Stevenson. This dedication could not have been offered to just one of them because of the time and hard work they've put in together for the good of Madison Central High School.

Mr. Groninger and Mrs. Stevenson have been friends working together since they met years ago at Salk Middle School. It was then that they began working together as a team.

This tribute is given to them not only for their outstanding work as co-advisors, but also for the great deal of time put in with so many kids and projects throughout the whole school. In the process of promoting school spirit and motivating the school as a whole, they have worked with such projects as: the homecomings and homecoming floats, and a new beginning in school dances which were unexistent in our school for fifteen years.

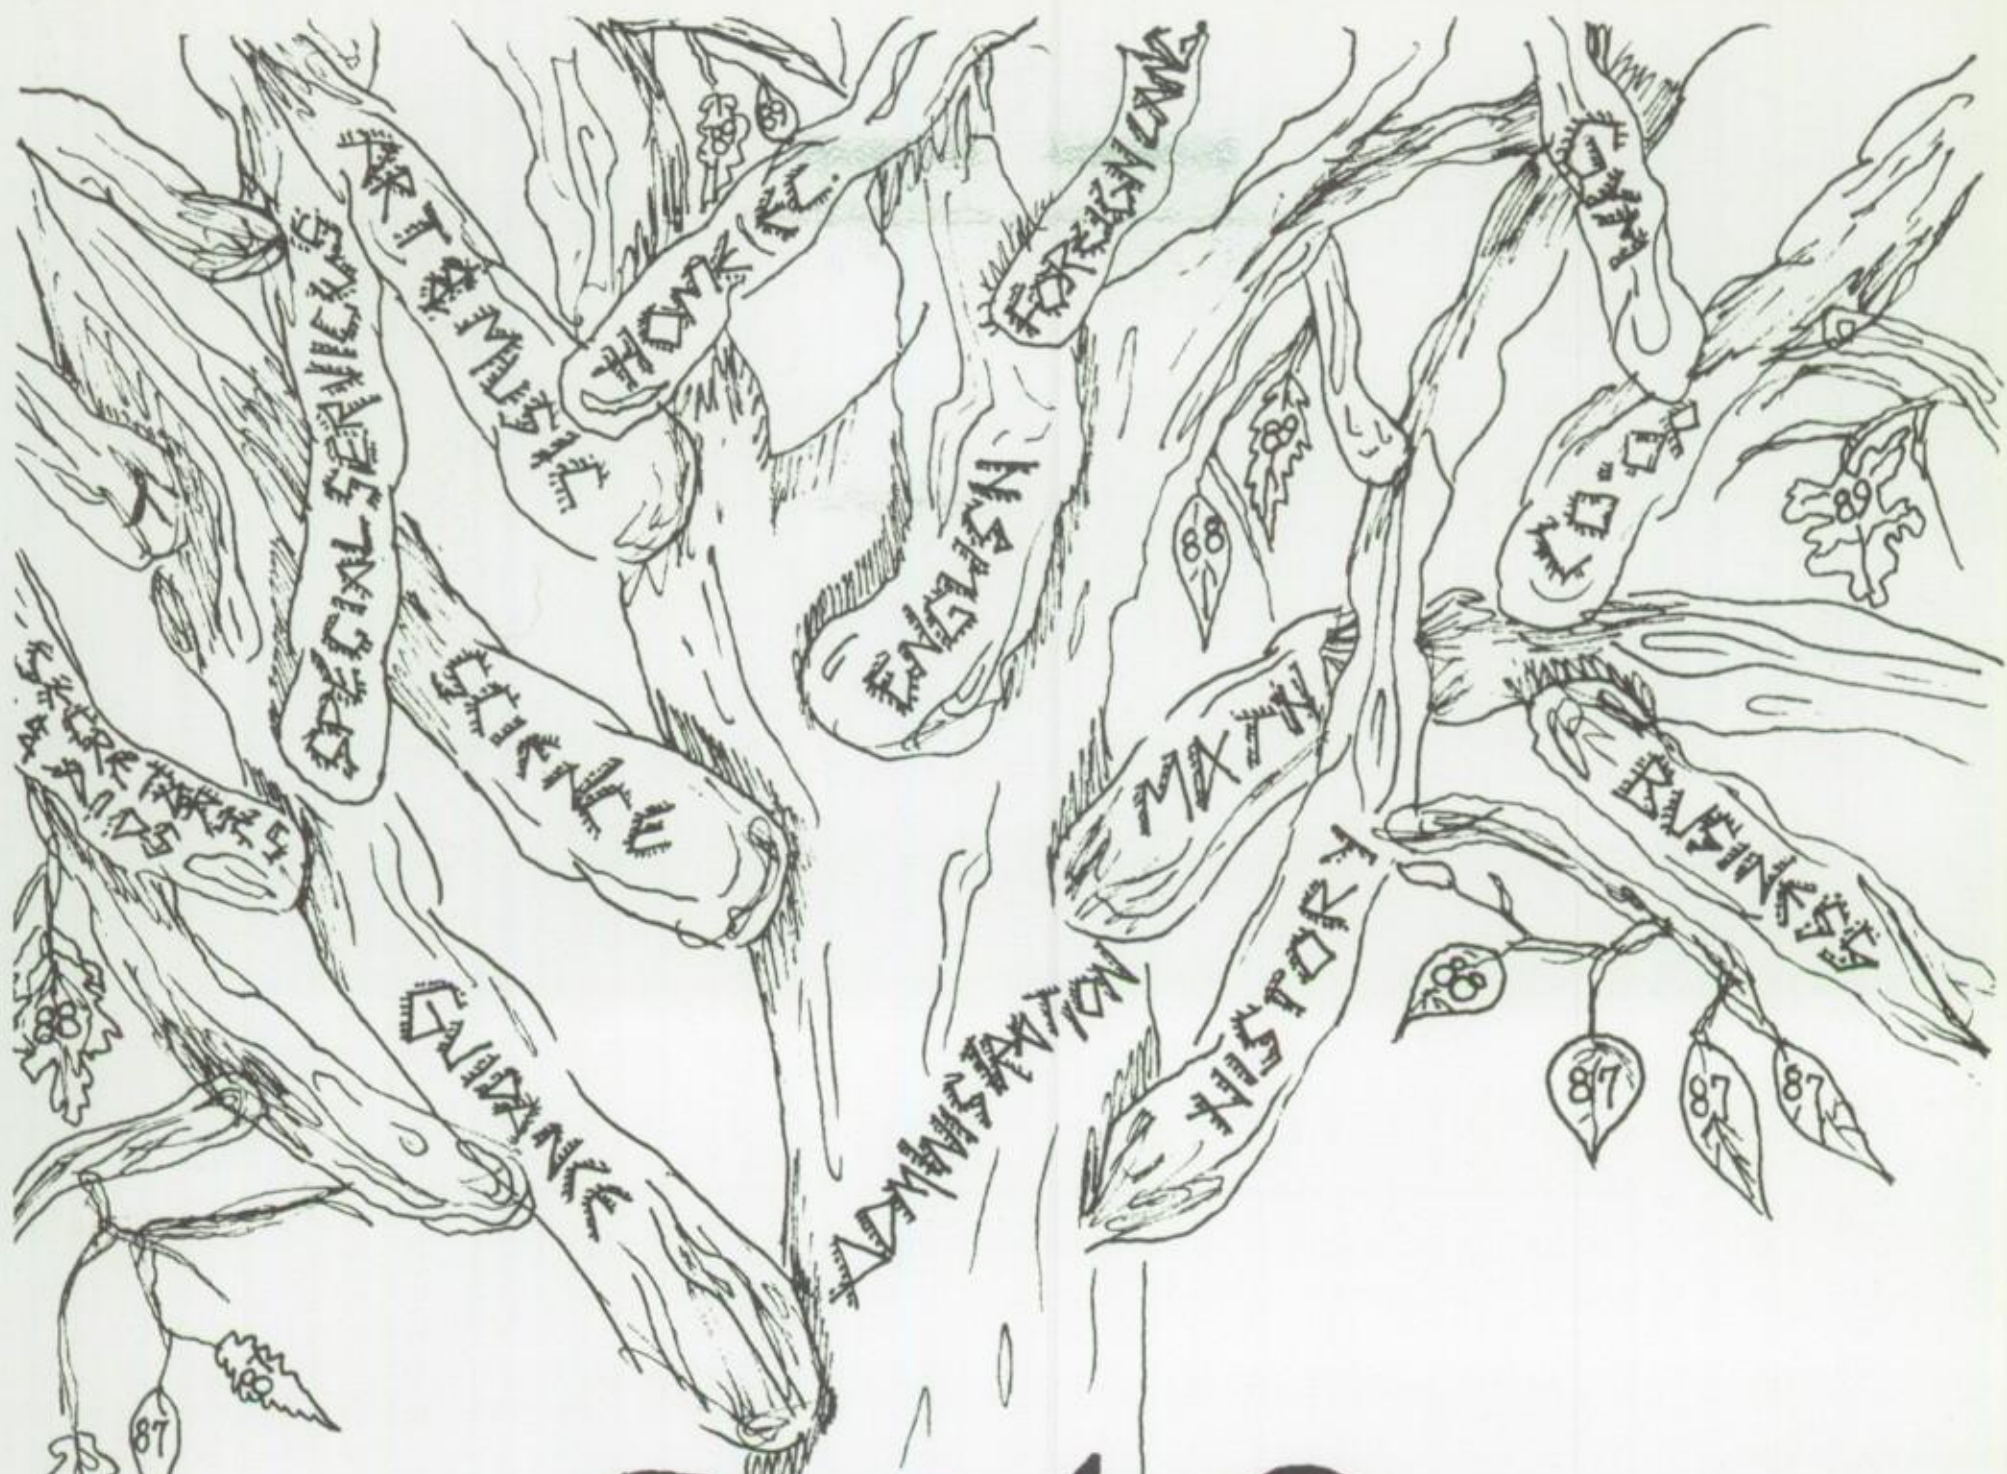

Mrs. Stevenson's outstanding credits are the following: Gymnastics and Track coach, Varsity Club advisor, school motivator and attending all school events.

Mr. Groninger has credits to his name such as: running free S.A.T. classes, attending all sporting events, and individually helping out many with their problems both in and out of school.

We the Class of 1986 would like to express how grateful we are for what they have done for us. These are two people who will always put in the extra time to see the job gets done, no matter much they must give up after the bell rings. They have made it their job seeing that school is not only learning in the classroom, but that we get the best out of our four years. Their hard-work, support, and guidance is something we will always appreciate and remember through our lives. Thank you.

MESSAGE FROM THE PRINCIPAL

The end of one's senior year brings with it emotions of both joy and sadness: joy - because a task of twelve years' duration has been accomplished; sadness - because a major part of one's life is changed forever. With these mixed emotions comes anticipation for the new beginning which all of you face. Take what you have received from us and use it wisely. Treasure the friendships that you have made and nurture them through the years. And above all, remember that each new step in life is a new opportunity and a new adventure. Those who succeed in life welcome the new and look to the future with expectation. The years to come are filled with opportunity. Use them well.

ZELIG STECKLER RETIRES

Mr. Zelig B. Steckler came to Madison Central High School in 1963 to be Director of Guidance. He has fulfilled those duties and has seen the changes that inevitably take place over the span of 23 years.

During his tenure, our guidance department grew from a three counselor office to six counselors and back down to our present five due to changes in enrollment.

Mr. Steckler has here when records were kept by hand. He made the transition to computerized information, microfilm retrieval along with modern methods of guidance and counseling.

Now that he has chosen to retire from this phase of his life, we wish him well, good health and happiness in his future endeavors.

JOSEPH GERMAIN RETIRES

Mr. Germain will retire this June after having served for 30 years as a physical education instructor in the Old Bridge School District.

Mr. Germain, a graduate of Seton Hall University, began his athletic coaching career as the head basketball coach of St. Mary's High School in Perth Amboy.

He moved to the Old Bridge School District in the fall of 1957. He was named as the first Athletic Director, Physical Education Department Chairman, and Head Basketball Coach upon the opening of Madison Township H.S. in the fall of 1961. As Athletic Director, he was instrumental in establishing the foundations of the athletic program which currently exists at Madison Central H.S.

MIRIAM BLAZIER RETIRES

Mrs. Miriam Blazier retired this year after twenty-two years of dedicated service to the Old Bridge School District. Starting in 1963, Mrs. Blazier worked one year as a switchboard operator at Madison and the following year began a twenty-one year career as secretary to the vice-principal.

She will be remembered and missed by the many students and staff that she has assisted during all those years.

IN MEMORY OF PETER RUGGIERO

Peter Ruggiero was a gentle man who liked people and was in turn liked by those who knew him. He did not speak much about himself, and it was only through others that you could learn about him. He was a soldier in World War II, and because of the medals he received, he could be called a hero. Peter Ruggiero would not have called himself that and would have been terribly embarrassed to read what I am writing. He was a good man who loved his family and country and his friends. Those who knew the Peter Ruggiero he showed to the world can get to know him better by reading about the Silver Star and the people who receive it. If you do that you will understand who he really was, and why he will be so sorely missed

SENIOR CLASS COUNCIL

Secretary, Maureen O'Rourke; Advisor, Mr. Groninger; Vice President, James McCauley, President, John Lopresti; Advisor, Mrs. Stevenson; Treasurer, Joseph Bera.

It has been a most rewarding experience to serve the Class of 1986. They have proven, to all who knew them, the worth, the creativity, the imagination, and the power of their age. I fought with you, I made some of you cry, I abused many of you, but above all such adverse reactions, I loved all of you deeply. You have made my life full and rewarding. It is people like you, that keep people like me, teachers. I have thrived on your friendship and cherished your trust. As you leave to fulfill your dreams, you create in my life and in the Spirit of Madison Central, a tremendous void. God Bless You All.

Senior Superlatives *the best of the BUNCH*

In November of 1985, the class of 1986 selected their Senior Superlatives. Each category consisted of five or six nominees. These nominees were selected by a group of seniors along with Mr. Hitzelberger. The ballots were then distributed in senior history classes, and the results were then tabulated by underclass members of the Student Council.

In Retrospect,
we may come
to see that words
are the only way
we can stay with
the people,
whom we must
now leave behind.
That old photo
and wrinkled pieces
of paper
may serve as passages
to the places we will
move away from.
These hallways are
full of promises,
and laughter
dances gracefully in
these old rooms.
Faces change,
people leave,
but memories
well,
they stay.
Maybe Today,
we'll see that here
we learned much more
than how to write a
research paper
and the value of x .
We learned
who we are.
Now
it's time to turn
our eyes from what
we may not have been,
to what we
may become.

MR. STITELER

In 1963, a graduate of Clarion College accepted his first teaching position. It was the job of teaching English to High School students.

Who would've guessed that after almost a quarter of a century, he'd still be an active member of our faculty?

Mr. Terry Stiteler left his Pennsylvania hometown of DuBois after being offered a teaching position here at

Madison Central (then Madison Township).

Aside from his classes, he was also very active with the school's athletic programs. Mr. Stiteler coached defensive football for many years and even helped with the Girl's Field Hockey Team for one season.

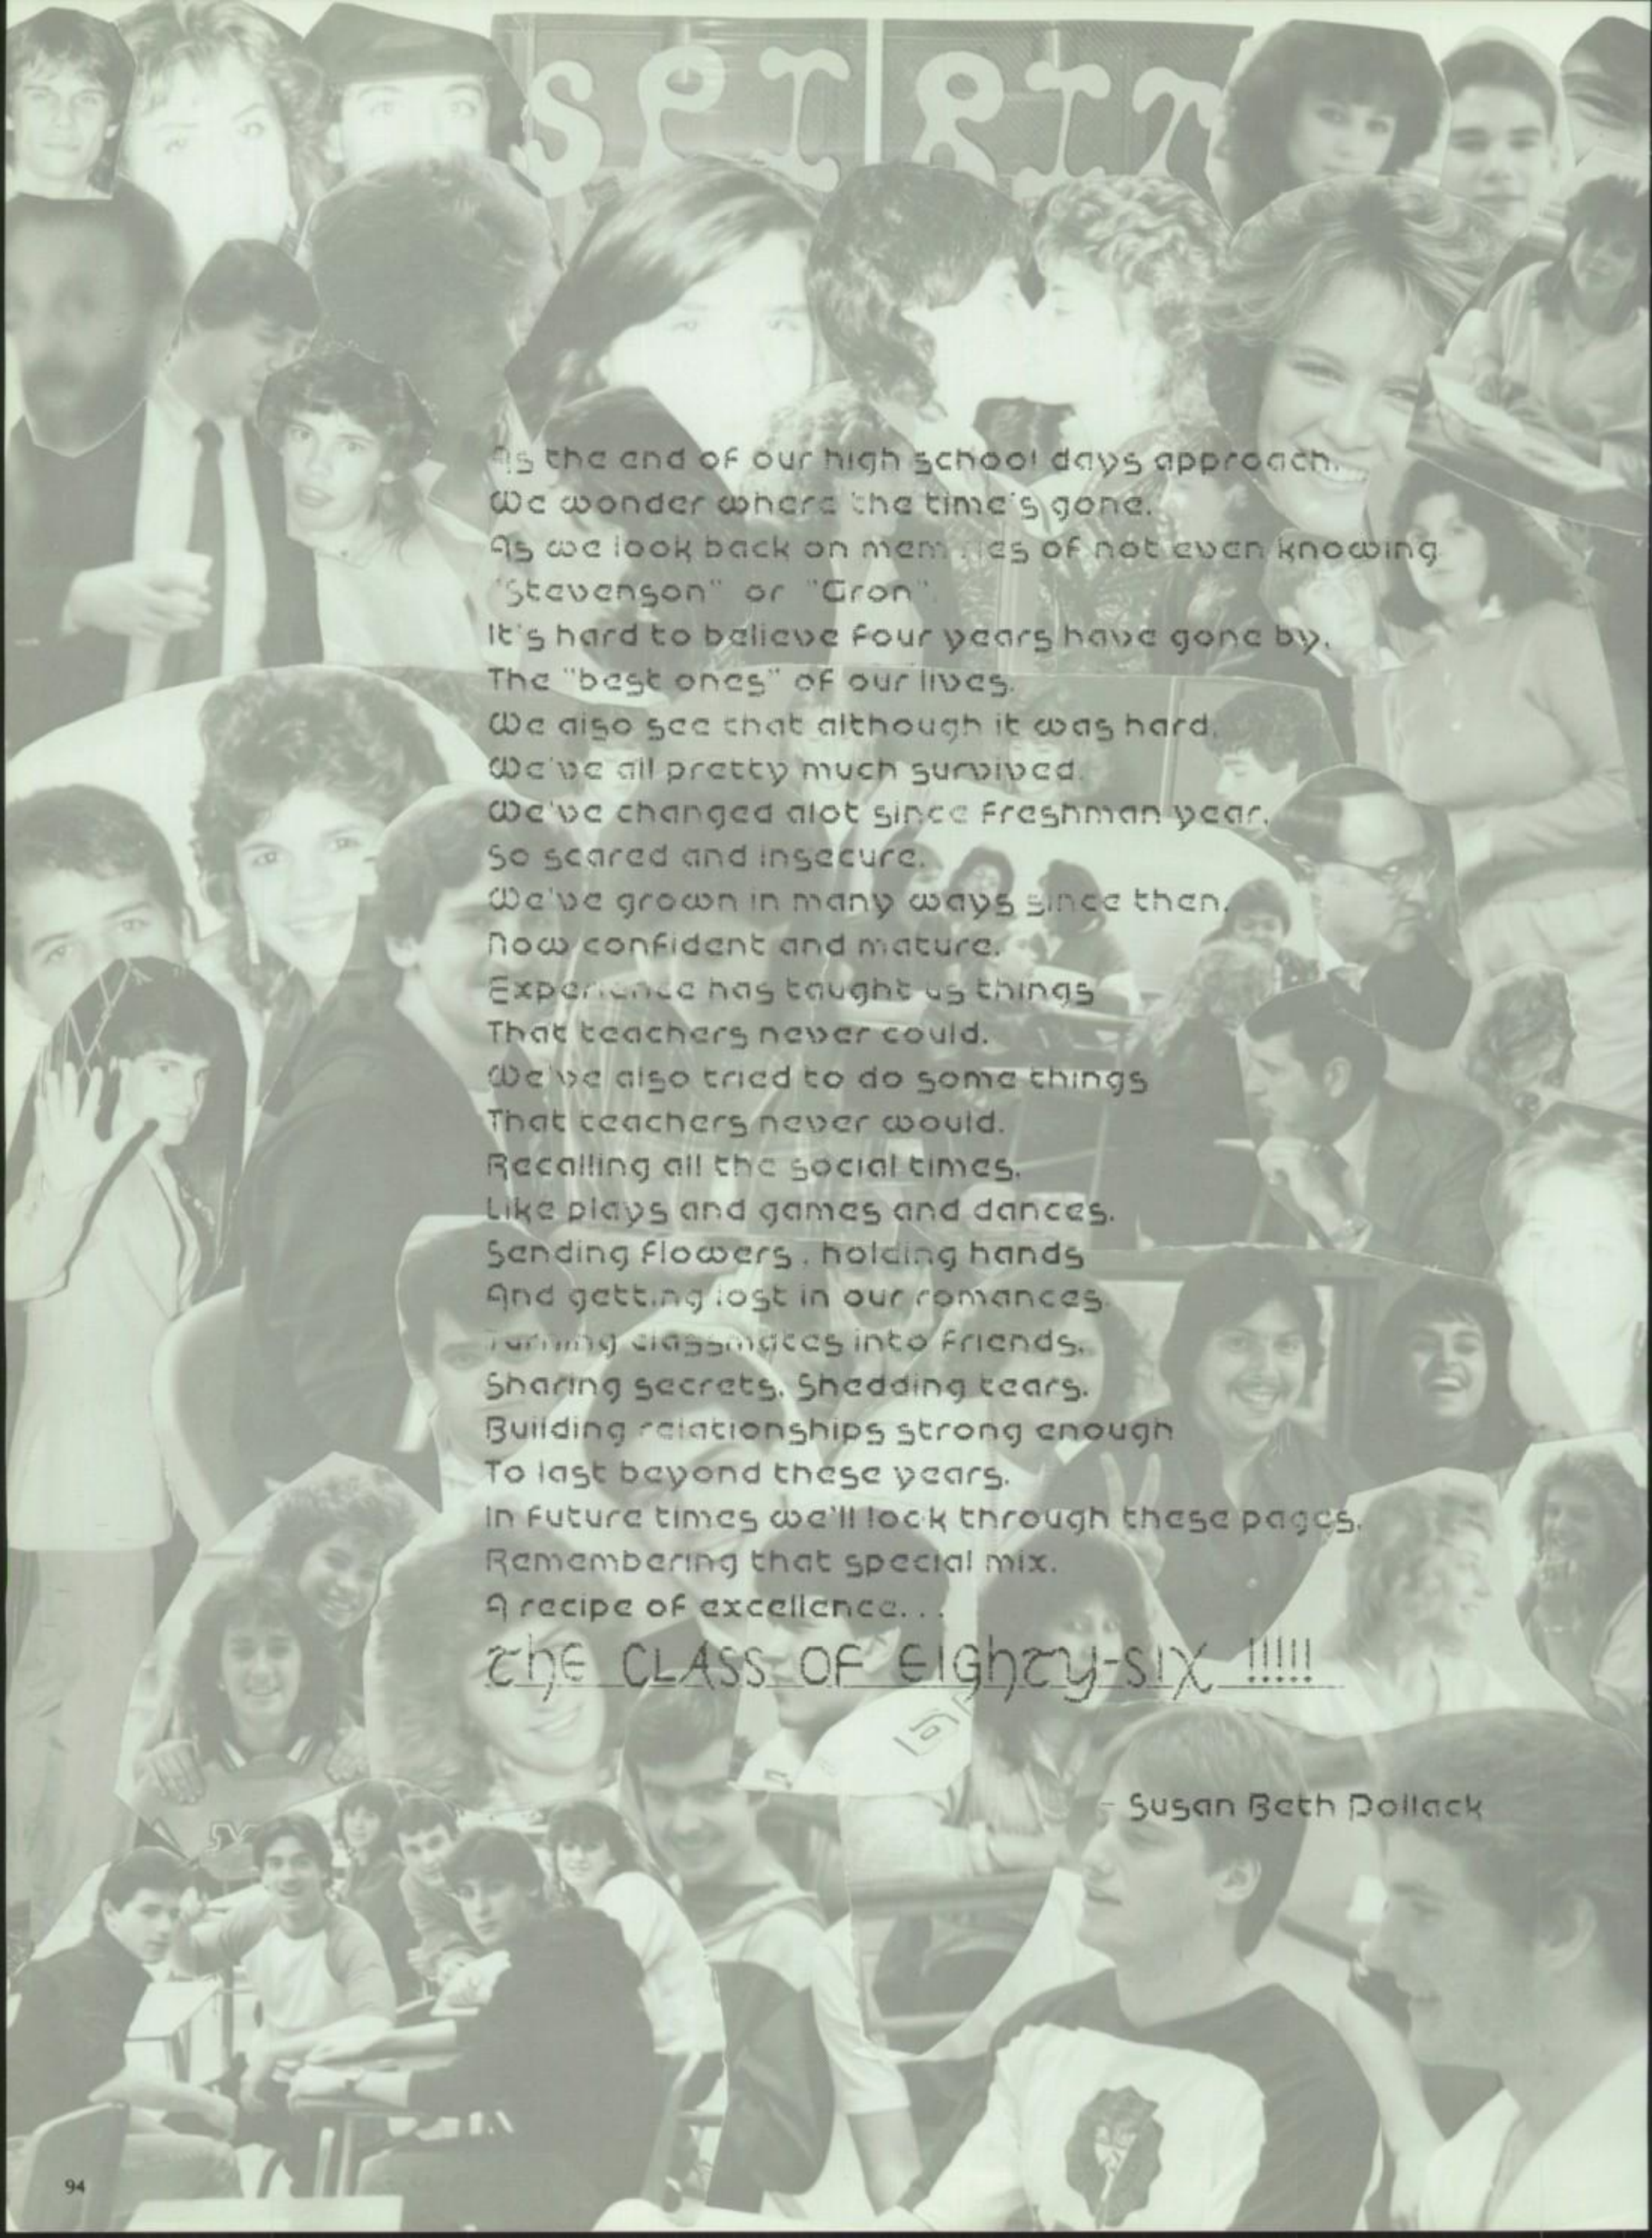

Today, his athletic participation is still going strong. If he's not selling or taking tickets, he's guarding the gate at almost every game.

Although his extracurricular activities take up a lot of his time, he still seems to find a way to put his all into his one elective class; That class is English IV Publications (yearbook).

For 13 of his 23 years, Mr. Stiteler has been chief editor and adviser for the *Initium*, but this is his final year at it. For this reason, the yearbook staff felt it necessary to take this opportunity to thank him for his many years of dedicated guidance and assistance. Due to his efforts, the yearbook staff has learned more than just the physical aspect of producing the *Initium*. He has taught them responsibility, cooperation and how to work together to achieve one common goal; That goal being to put out the best possible yearbook, year after year. Mr. Stiteler explains the specifics of writing stories and laying out pictures, but gives his students the freedom to design their individual sections the way they choose, as long as, of course, they meet with the high standards Mr. Stiteler has set.

For this freedom and all of the other things Mr. Stiteler has given to his class, the *Initium* staff of Nineteen Eighty-Six would like to say, "Thank You!" For your time and effort, patience and tolerance, help and advise; We appreciate what you've done to make our yearbook a success, and we couldn't let you retire from it without a proper send off. We know you'll miss it as much as it will miss you. We feel sorry for the upcoming staffs who will not have the benefit of your experience and talent to assist them. We are glad that we, at least had the opportunity to work with you. Thanks again . . . for *everything*.

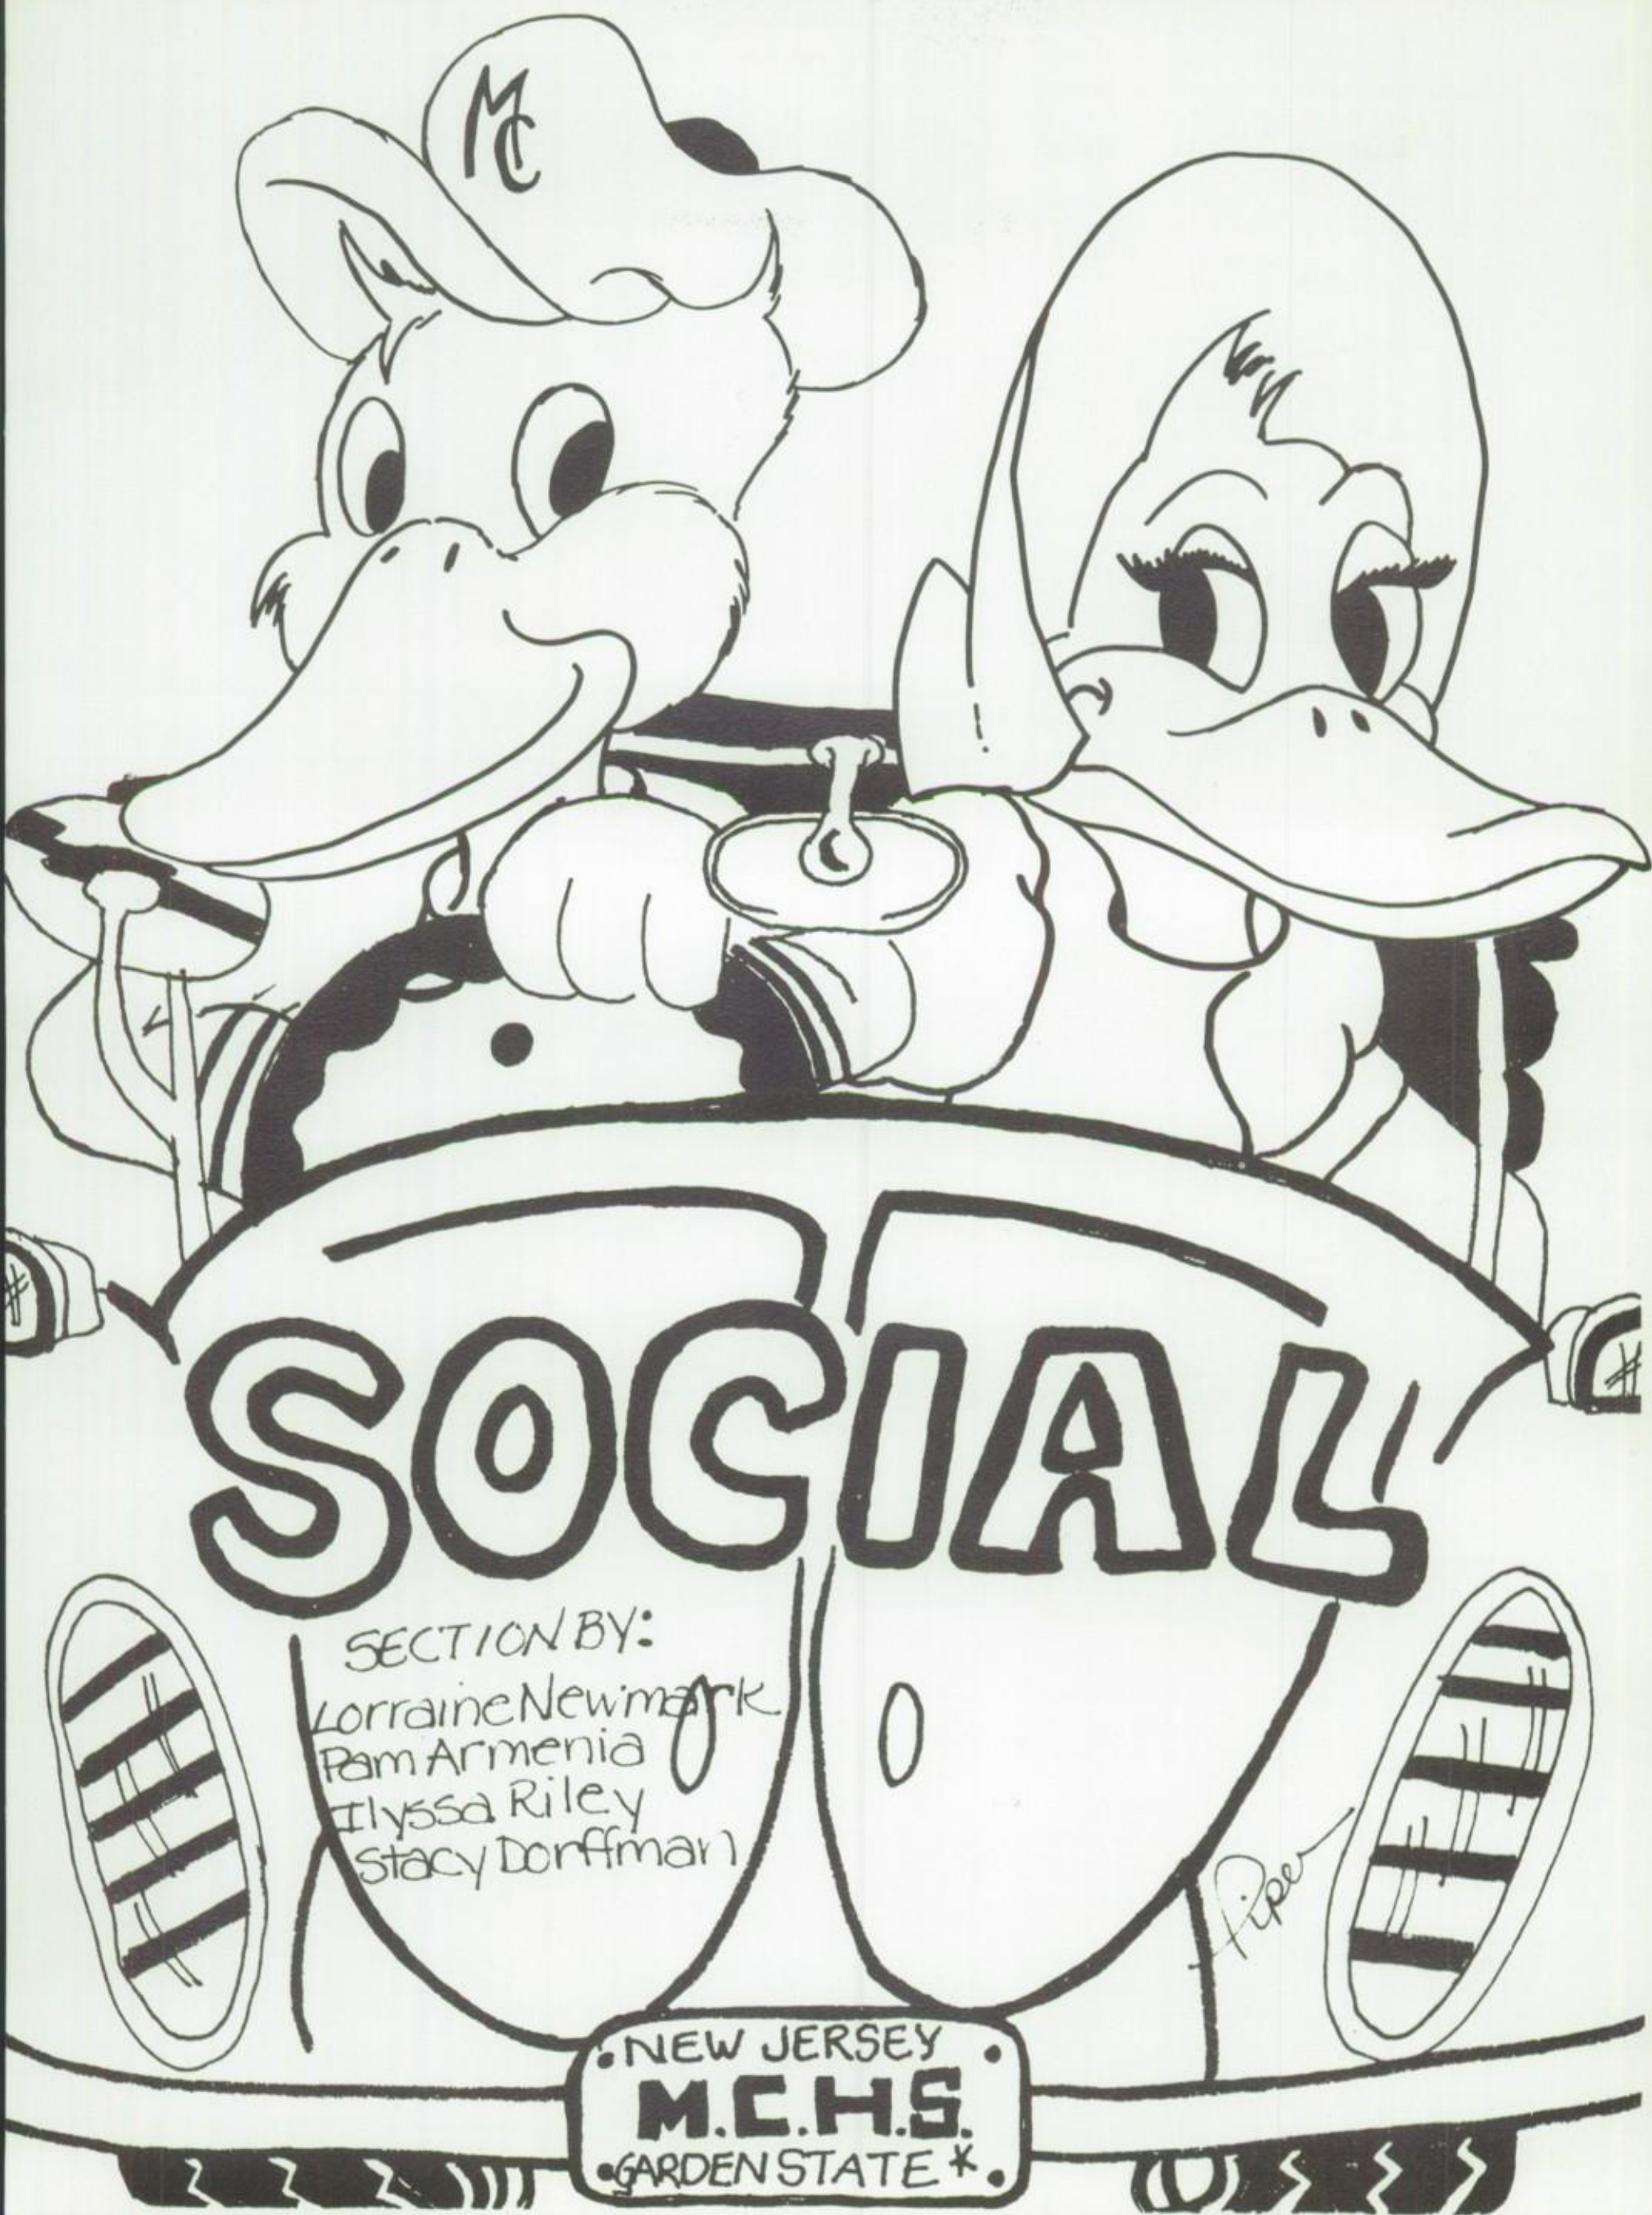

Sincerely,
The *Initium* Staff '86

As the end of our high school days approach,
We wonder where the time's gone.
As we look back on memories of not even knowing
"Stevenson" or "Cron".
It's hard to believe four years have gone by.
The "best ones" of our lives.
We also see that although it was hard,
We've all pretty much survived.
We've changed alot since Freshman year,
So scared and insecure.
We've grown in many ways since then,
Now confident and mature.
Experience has taught us things
That teachers never could.
We've also tried to do some things
That teachers never would.
Recalling all the social times,
Like plays and games and dances,
Sending flowers, holding hands
And getting lost in our romances.
Turning classmates into friends,
Sharing secrets, Shedding tears,
Building relationships strong enough
To last beyond these years.
In future times we'll look through these pages,
Remembering that special mix,
A recipe of excellence...

They include: a Can Food Drive for the needy at Thanksgiving, a visit to three Nursing Homes during the December Holiday Season, a production of a French Puppet Show - Cendrillon, a French cuisine in a Creole restaurant, a Financial Contribution to the Mexican Relief Fund, and having a good number of generous speakers who spoke on various French topics. With the help of the officers (President: Amy Alt, Vice President: Ellen Bleach, Secretary: Billy Bolan, Treasurer: Regina Phair) and the members, the year turned out to be both intriguing and fascinating.

THE FRENCH CLUB

SPANISH CLUB

The Spanish Club headed by Mrs. Higgins has completed a rewarding and successful year.

The Spanish Club has completed its drive to aid the victims of the Mexican Earthquake, and a check for \$943.70 has been sent to the Mexican Relief Fund.

The Spanish Club has produced a number of editions of "The Spanish Galleon", The club newspaper includes the latest update of events and activities involving the club.

THE SPANISH CLUB

ITALIAN CLUB

The 1985-86 school year has witnessed the highest membership ever for the "CIRCOLO ITALIANO" at Madison. To a great extent the Italian students of the Class of '86 contributed to the growth of the club.

Among these students, there were those members whose enthusiastic leadership made the Club highly productive. These students include President Linda Seifert, Vice President Joe Angelucci, Secretary Joann Conte, and Treasurer Christine Romanella.

These leaders deserve a sincere "BRAVO" and "GRAZIE". Class of '86 you will be missed.

The views expressed in this newspaper are not necessarily those of the Old Bridge Township Board of Education, Administration or staff of Madison Central High School.

Advisor: Mr. Bosco and Editor: Stacy Dorffman,

A school newspaper is important in every high school. It tells what is going to occur during the year and what has already happened.

This year the Scriptor staff has shown what a credible high school newspaper should look like. They have been able to publish five editions of the newspaper.

OUT OF THE FRYING PAN

This year's fall comedy, "Out of the Frying Pan" written by Francis Swann, had an outstanding turnout. The play was directed by Marilyn Reich and student director Karen Evanouskas.

This modern play takes place in New York City. The play centers around six striving young actors. They include Dottie (Dina Vitale) Norman (Thom Soccaccio), Tony (Roger Marinzoli), Marge (Laurel Cincotta), George (John Fitzgerald), and Kate (Sara Eisenberg).

These six young actors share one apartment. A producer (Paul DePompo) lives below the actors. Dottie has not told her father about the three male actors that share the apartment with them. The six actors throughout the play try to keep Dottie's father (David Pinkowitz) from entering their apartment. Their goal is to get Mr. Kenney the producer to come see their play.

Congratulations to the cast and crew on their outstanding performances and on their great success.

1985 CHEERLEADING SQUAD

The 1985-86 Varsity and Junior Varsity Cheerleading Squads coached by Mr. & Mrs. Diaczyszyn have spent many hours practicing cheers, routines and pyramids to represent our school at various sporting events. The Varsity captains are Susan Kohn, Maria Palmieri, and Dina Ltywyn. The Junior Varsity captains are Anna Alt and Tricia Vroom. The girls attended summer camp for a week and practiced many hours after school for the upcoming year. Then, beginning with the first game, they display spirit and support for the teams all year round.

PEER LEADERSHIP

The 1985-86 MCHS Peer Leaders

Smiling for the camera.

The guys take a break together.

Peer leadership began its fourth year at Madison Central. The students selected as peer leaders are screened during the end of their junior year and then chosen by Mr. Hitzelberger, Miss Ogden, Mr. Wizna, and Mrs. McDermott, the teachers running the peer leadership program. Throughout the year, the program participated in many activities and events.

One of the most memorable was their trip to Blairstown, NJ. During this trip, peer leaders shared many secrets and times that will never be forgotten. The purpose of this trip was to get to know one another on the inside. Upon returning the peer leaders were put to work. Each pair of co-leaders were given a group of freshman to work with. They met on about ten sessions that were held on Wednesdays. It started with a trip to Holmdel Park which featured activities for group cohesion to help the group open up and trust each other. The co-leaders advised activities to help freshman cope with the problems they may face in high school and talked about other problems and how to deal with them.

At the middle of the year co-leaders were changed. The new co-leaders were a new team ready to work with a group of freshman. Once again, the program proved to be a success.

Peer Leadership has become a very important part of Madison. It is not just a class its a program to help you grow and learn about yourself and others.

C.O.E.

The Co-op class gives students a lesson in all aspects of the business world. Each student must have a job and complete projects about their job throughout the year.

Students taking co-op may also join the Distrubutive Education Club which participates in competitions in which students have the opportunity to win awards and scholarships. For any student interested in business, co-op is an excellent class to take.

C.I.E.

The Co-op Industrial Education program prepares students for trade and industrial jobs by placing them in these type jobs for a half a day. While in Senior year, many go on jobs and enter into apprentice programs directly from school. Others either learn on the job, non certified programs, or go to technical schools to advance themselves. Because of emphasis on college education, many fellows entering trade and industry jobs are very successful and find these trades both financially and psychologically fulfilling. Some of the areas that Madison Central students are working in are industrial, woodworking, automobile mechanics, building trades, machine shop trades, warehousing building maintence, and varied foods industry (cooking and baking).

HEALTH OCCUPATIONS

CHOE offers students an outstanding opportunity to begin their health related careers with the best combination of classroom and on-the-job experiences.

The program is designed to provide meaningful education to students interested in health occupations; to help students develop desirable work habits, positive attitudes, and occupational competecies, and to offer employers an opportunity to add practical guidance to entry level health workers.

CHOE also contributes to the solution of some of the social, economic, and educational concerns of the community through meaningful education and paid employment for high school students.

ONCE UPON A MATTRESS

"Once Upon a Mattress" a medieval farce based on "the Princess and the Pea" was performed on March 3, 4, and 5. The musical was directed by Ms. Marilyn Reich and assistant director Karen Evanouskas. Sara Eisenberg was the title character of the princess. The play's plot had to do with a prince who had to find a suitable wife. She had to be a princess. The queen made princesses take a test to see if they were good enough for her son. Finally, The prince found a girl who he wanted to marry. The Queen made her take a sensitivity test. She placed a pea under twenty mattresses. If the princess felt the pea, she would be allowed to marry the prince.

Of course the Princess felt the pea and they all lived happily ever after.

Sara Eisenberg put on an outstanding performance as, Fred the princess. The other characters were the prince Larry Stern, the Queen, GERALYN George, the king, John Fitzgerald.

The entire cast should be congratulated on all of their amazing performances.

HOMECOMING

Lynda Vitale the 1985 Homecoming Queen had the special honor of crowning her sister Dina as the 1986 Homecoming Queen. This event was quite special, because no two sisters have ever been crowned at Madison Central.

The Homecoming game was played on October 25, 1985.

The theme of this year's Homecoming was "Somewhere Over the Rainbow", which pertains to the *Wizard of Oz*. During halftime a unique float was constructed by the senior class. The float was entitled "The Emerald City". Members of the faculty portrayed the characters from the *Wizard of Oz*, and students paraded around dressed as munchkins. This year's Homecoming was a special event that the students of Madison Central will never forget.

All of the candidates remain friends, after Dina Vitale was crowned the 1986 Homecoming Queen.

MOCK TRIAL

1986 was the first year Madison Central took part in a State tournament known as a Mock Trial- a courtroom simulation in which attorneys wage legal battles trying to prosecute or defend a man accused of murder. Each school has three teams that function as a unit- the defense, the prosecution, and the jury. Schools alternate sides as they simulate the same case. The preparation required is extensive, requiring several full rehearsals and meetings with a lawyer appointed to advise the school teams.

The teams were organized this year by Roger Marinzoli and David Pinkowitz, and advised by Ms. Buchko, Mr. Ballo, and Mr. Narcisi. The defense team consisted of: Karen Evanouskas and Roger Marinzoli-attorneys; Susan Kohn, Heather Klein, and Eric Gasior-witnesses. The prosecution team consisted of: George Collins and David Pinkowitz-attorneys; John Fitzgerald, Evan Liebowitz, and Mara Silverstein-witnesses. The jury consisted of: Joe Walsh, Sara Eisenberg, Anthony Genatempo, Joe Angelucci, John Maresco, and Gil Marosi.

Madison Central, though a newcomer to the Mock Trial, edged out the former state champions and advanced to the County Finals competition. The teams finished 2nd overall in the county and deserve a special congratulations.

GYMNASTICS

This year's Gymnastics team had a very successful year, ending the season with a 9-4 record and placing third in the county.

This year's team was lead by Senior Co-Captains, Dianne Azzarello and Christina Priolo, both of whom are veteran gymnasts and have dedicated themselves for four years.

Most of the teams' success is attributed to the teams' coaches, Miss Melanie Ogden and Mrs. Stevenson. Their guidance and dedication to this sport have given Madison a string of successful seasons.

A rising star who promises to be a great asset to the team is Lori Flashner. This sophomore has dazzled her competitors and, despite her age, looks to be Madison's hope for the future. The other contributing members on the team are Julie Cicco, Monica Panek, Kathy Hellmund, Lauri Vigiant, Sharon Panek, Jill Terhun, and Christine Anastasio.

BOY'S CROSS COUNTRY

The 1985 Boy's cross country team coached by Larry Reynolds had another successful season. Their record of 7-1 led them to be Conference Champs. Unlike last year, where the team was dominated by Seniors, this year's team was comprised of seniors, Kevin Fallon, David Celeste, Juniors, Rob Lewendowski, Brian Anderson and sophomore, Neal Parikh. Filling the next three spots are seniors Alan Goldberg, Anthony Genatempo, and Andrew Bernstein. With the help and support of Coach Reynolds the team placed sixth in the county championships. Overall the team had a hard working and a very dedicated season.

BOY'S SOCCER

The 1985-1986 Boy's Varsity Soccer Team, led by Senior Captains: L. JESSUP, S. YANIAK, T. HERTWIG, and D. RICCHIARI, completed a victorious season with a record of 7-6-2.

Under the instruction of Coach Mould, the team provided M.C.H.S. with many exciting games. A great game played "under the lights" against Cedar Ridge proved to be an important one. Goalie R. WISNIEWSKI made many key saves and proved to be an asset during the game and season. Madison clashed with the rival Cougars twice during the season and came out victorious both times. Several Valuable players during this game and throughout the season were: Seniors, R. SCHENK AND S. MILADINOV and Juniors J. KUEBLER & R. PAGANINI.

Coach Mould feels it will be a challenge for the underclassmen to fill the holes left by seniors. He is, however, confident that they have the talent and potential to form a class one team!

GIRLS SOCCER

Through the coaching of Mr. John Manley, and through the girls' hardwork and determination, the 1985 Girls' Soccer Team once again had a successful season. The girls applied their athletic talents which eventually led to a winning season of 8 wins, 6 losses, and 3 ties. Although there were a few injuries, their misfortunes were overcome.

One of the teams most exciting players was, Linda Nichols. She won many awards. Some of which were athlete of the week from the Star Ledger, Home News and News Tribune, and athlete of the month from W.C.T.C. Radio. She also has a record of 98 goals, which is above all, the best there has ever been.

We will miss our outstanding Seniors, Coleen Connor, Maureen O'Rourke, Christine Pirog, and Kathy Kleiner. Their contribution to the team was well recognized. Although they will be leaving, there are many underclassmen who are expected to lead the team in 1986.

BOYS BASKETBALL

Back Row - LEFT TO RIGHT: Coach Jeff Coates, Wayne Spzara, Mike Norris, Rob Jessup, Brian Kaplan, Neal Kolb, Jeff Junquet, Coach Dave Sawczuk, Bot. Ray Totten, Mike Colon, Willy Starace, John Speeney.

This year's varsity basketball squad suffered a disappointing season with a record of 7 - 14. This record does not reflect the talent and ability of the players.

The team was led by its senior co-captains, Willie Starace and Mike Colon. Both co-captains averaged double figure scoring every game. Fine performances were also exhibited by Brian Kaplan and Jeff Junquet, the other two senior members.

Coach Coates is optimistic despite his first year's season. One of the reasons for his optimism is the caliber of the under classmen that will be playing next year. A few examples are (Junior) Mike Nugent, (Sophomore) Peter Junquet, and (Junior) Rob Jessup.

Another reason is the excellent record obtained by the J.V. Squad under the direction of Coach Mould.

It is obvious to see that the best is yet to come for Coach Coates and the Spartans.

Over the last five years at Voorhees High, Coach Coates compiled a .500 record with its basketball team.

During this past season, Coach Coates has proven to be an innovative and enthusiastic leader.

Coach Coates is ably assisted by Dave Sawczuk, a recent Princeton graduate.

We wish to extend our best wishes to Coach Coates and Dave Sawczuk for continued success in the future.

This year's Varsity Girl's Basketball Team, under the direction of Mr. Kenneth Buxbaum, finished an outstanding season with a record of 19-6. They finished second in the red division with a record of 13-3. The 19 wins was a record high for this school. The team was comprised of many outstanding individuals: Juniors, **DEBBIE MACLELLAN**, **LINDA NICHOLS** and **REGINA ROSSANO** were the leading scorers. Senior **LYNN FORD** was the leading rebounder while Senior **CINDY WOLFORD** led the team in blocked shots.

Senior **MAUREEN O'ROURKE** and Junior **JENNIFER EVANOUSKAS** gave the team depth off the bench. We should also mention that the Junior Varsity Team, under the direction of Mr. Roger Van Hise, had their tenth consecutive winning season with an impressive record of 14-5.

Coach Buxbaum summed up the season this way "This team was a pleasure to coach. Not only was it a success record wise, but the team worked hard, came together as a team and worked well together on and off the court. They were a dedicated group and if that kind of attitude continues I'm sure future success will follow."

WRESTLING

Once again this year, the Spartan Wrestling Team carried out it's tradition of excellence. The 1985-86 team worked together to earn many achievements. Madison ended their season with a record of 12-3, a Central Jersey bid, Second Place Honors in District 21, a Divisional Conference Title, and a Greater Middlesex Conference Championship. Head Coach Ken Scott ended the season with his 100th win, a trademark which only few coaches have achieved. The J.V. and Freshman teams remained undefeated throughout the whole season. With Such outstanding underclassman wrestlers, the high quality of wrestling will remain a Spartan trademark. Captain Jim McCauley ended up fourth in the State tournament, which was an honor well worth the work. Captain Keith Cousens, Darin Farrell, Tom Faas, and Jim Kuebler were all placers in the Districts- therefore moving on to the Regional Competition. Madison's success is due to the hard work of it's wrestlers and the dedi-

WINTER TRACK

Mr. Wagner is proud of his winter track team of the 1985-1986 season.

The boys had a season record of 5-1 which was the best that Madison Central has ever had. They won the division championship by beating their rival, Cedar Ridge 45-42. Chosen to the first team division all-stars were: Joe Bera for 55 meter dash and 55 meter high hurdle, Fred Bruno for the shotput, and Dave Celeste for 3200 meter. The second team division all star was Kevin Fallon for 1600 meter. All conference selections were Fred Bruno for the shotput and Joe Bera for High hurdle.

The "unofficial" girls team had a record of 5-0 which also was the best ever compiled for Madison Central. They finished first in the East Brunswick relays out of fifteen teams. They were also first in conference relays out of fourteen teams. They won that with the last event which was the 1600 meter relay. Another highlight of the season was when they defeated the strong East Brunswick team 47-30. The selected all-conference awards went to Robin Davis for the second team 400 meter. The 1600 meter relay team made the first team all-conference and the girls were: Robin Davis, Yvette Stokes, Sheila Corrigan, and Erica Srebrenick.

The MVP awards went to senior, Joe Bera and junior, Robin Davis.

BASEBALL

The Madison Central baseball team had an up and down year full of many surprises. Their season consisted of some splendid victories as well as some hard losses. All of the players gave 10 and showed superb quality performances.

Junior first baseman Joe Bera had a great year at the plate as well as in the field. He batted close to 500 and had over 35 hits including 4 homeruns. Bera's hard work payed off because he was chosen to be second team all-conference. Second baseman Jerry Campbell also had an impressive year. He was considered to be one of the better fielders on the team and in the county. He committed only one error this year while batting over 300. Campbell was also second team all-conference.

Senior pitcher, Matt Dwyer, had an impressive season. He led the team with 6 victories in spite of some tough losses. Dwyer's victories accounted for more than half of the Spartan's winnings. Senior pitcher, Rob Cusanelli, came up from the J.V. and proved to

Tom Esser produced much power for the team, hitting five home runs with a batting average over 300. His fine fielding was successfully combined with his strong arm behind the plate. The surprise of the season was third baseman, Tom Reszkowski. He was not considered to be a major factor in the Spartan threat, but he proved himself to be an asset with his fielding and hitting.

Outfielder Mike Fuzesi batted close to 400 with 3 homeruns and RBI's while batting in the clean-up spot throughout the year. Senior DH Jim Blake came on strong at the end of the season with several hits that gained the Spartan's their victories. Converted centerfielder Willie Starace filled the shortstop position midway through the season displaying his talent. Junior GG McCauley was a consistent offensive threat throughout the season. He got on base when needed most and hit in the clutch to win a few games.

The Varsity Softball team has undergone a rebuilding year in 1985. The team was faced with many problems as the season started. One of the main problems was a pitching staff with little or no experience. There were only three seniors in the starting line-up. Overall there was a lack of experience on the team. The Spartans also competed in a very tough conference against East Brunswick and Edison.

The strong point of the Spartan team has been its infield with: DEBBIE LUNDBERG at third, DINA PORTNOY at shortstop, LINDA NICHOLS at second, KATHY O'ROURKE at first, and behind the plate, MAUREEN O'ROURKE, who has done a great job. The outfield is led by DEBBIE MACLELLAN in center, ELLEN JOHNSTON in left, and ELLEN GOLDBERG in right. RENEE PETOH also plays the outfield.

Even though the Spartans have not enjoyed a winning season, they have learned a lot. They have learned that one person does not win or lose a game. It takes a team effort. Most of all, they have learned to have fun and have become much closer. Coach Ogden feels, "Whether you win or lose, if you play intense and not just go through the motions, there is always a lot to learn." Most of all she feels, "You should not play to win, but to have fun."

The Madison Central varsity football team, led by senior captains, Marc Silverman, Jay Clark, Chris Lonigro, and Willie Starace, were faced with a disappointing season, due to many injuries. The team ended the season with a 1-8 log. The record, however, did not give the players any credit for their hard work and dedication.

The Spartans opened their season against East-Brunswick and ended this game in defeat. The Spartans controlled the game, running the Bears all over the field. Despite this, the Bears got a couple of good breaks and scored. The final score of the game was Bears winning 9-0. The Spartans lost the next two games, first to Colonia then to Morristown.

During these three games, there were many injuries in the starting lineup. Marc Silverman (captain), an All-Conference running back, was injured in the pre-season by a pulled thigh muscle. Then he received an injury to his knee on the third play at the East Brunswick game. Major Jones, last season's Sentinel Newspaper "Sophomore of the Year," was hurt in the first half of the Colonia game with a separated shoulder. Chris Lonigro (captain) obtained a damaged calf muscle during the Colonia game. There were many other players injured, including starters Joe Iacona, Joe Bera and Jay Clark (captain).

One of the team's best attempts at winning was during the J.P. Stevens game. J.P. Stevens, at that time, was second in the State. J.P. Stevens faced Madison expecting an easy victory. However, it took them into the fourth quarter to finally get ahead of our team. It was a hard game with Madison leading the first three quarters. However, Colonia scored three touchdowns in the fourth quarter. Colonia won the game 42-21.

The proudest day for our team was the Thanksgiving game. They played in a quagmire. However, they had a good day of rushing despite the mud. Even though they had a rough season, the team still kept up the tradition of beating Cedar Ridge on Thanksgiving Day. The team's final score was 13-0.
